Friends,

I wanted to take a moment and thank you for your expressions of sympathy over the recent passing of my mother, Barbara. I take great comfort that she received amazing care while she was a resident here for the past 18 months and that she is now reunited with my Dad.

I'm very happy to report that we continue to make progress on the COVID situation. We currently have no positive cases among both residents and associates and we are slowly moving the community forward. I hope you are having the opportunity to visit in person with your loved ones on the outside porch. These visits can be scheduled with Mary Moloney. We have no word as yet on the hairdresser, but once we do we will notify everyone accordingly.

Thank you everyone for your continued patience.

A Message from the Foundation

An Impact Update

During the last fiscal year (July 1, 2018 – June 30, 2019), 958 members of the wider UMC family made a difference through their donations to the UMC Foundation. The graphic below shows where these donors directed their support.

Here are a few examples of how your generosity continues to impact older adults:

- 38 residents benefit from Gift of Care Circle support
- 9 Senior Space sites provide social interaction, learning, art, and wellness experiences
- $48,000 in designated trust income aids HomeWorks, helping their team members provide high quality home health care and companionship to seniors

Each contribution makes an impact, supporting UMC's mission of compassionately serving in community so that all are free to choose abundant life. Thank you!
